

2026 Trophy Fees

Texas Hunt Lodge | Revised September 25, 2026

Two separate costs for a custom hunt

\$1,000 per hunter: three days and two nights, including lodging, food, beverages and guides.

The animal trophy fee is additional. It is charged only if you wound or kill that animal. If you have no opportunity to take your desired trophy animal, you do not owe its trophy fee. The hunter package still applies.

Confirm species, trophy class, dates and a written trip quote before booking. Longer stays, non-hunting guests, processing, taxidermy and other services should be discussed with our team. Prices are subject to change.

Prices below are in U.S. dollars. A plus sign means a starting amount. POR and TBD mean a confirmed quote is required. Platinum classes refer to exceptional specimens; no record outcome is guaranteed.

2026 Sable special: \$23,500 for a trophy bull. The hunt must be completed in 2026; confirm availability and special terms before booking. The hunter package is separate.
